Principal's Message

Dear Students,

It gives me great pleasure to welcome you all to Desh Bhagat College Bardwal-Dhuri, a unique institution. The college has been providing quality education by equipping students with skills, confidence and a positive approach with an all round development.

Catering to the total development of its students, the college has started many courses like B.A., B.Com., B.Com. (Hon.), B.A./B.Ed. (4 years integrated course), B.B.A., B.C.A., B.Lib. & Inf. Sc., B.Sc. (Fashion Technology), B.Sc. (Non-Medical), M.A. (English), M.A.(Punjabi), M. A. (History), M.Com., M.Sc. (Mathematics), M.Sc.(I.T.), M.Sc. (I.T.) (LE), P.G.D.C.A., B.Voc. (Retail Management & IT), B.Voc. (Software Development) and B.Sc. (Hons in Agriculture). The college fosters in students the spirit of nationalism, social responsibility, moral uprightness, feelings of compassion and love and above all a life of service and sacrifice. The rapid development of information and communication technology is now inextricably linked with modern education. The college strongly integrates ICT into the delivery of its educational programmes. There are well equipped computer labs with internet facility. Students are encouraged to participate in co-curricular and extra-curricular activities and are given opportunities to exhibit their innate talents. The highly qualified and motivated faculty helps students to enhance their academic and extra curricular performance. The college has always been trying to integrate teaching with the creation of a sound value system. I hope that your stay here creates pathways for success and employment.

It is my duty to tell all the girl students that for the all round development of the society, women are playing equal role as men. Women have a vital role in the development of home, society and nation. So girl education is very important. An educated woman can develop a society in a better way and women can get equality in society with education.

I extend a warm welcome to all the entrants and wish you a successful academic year ahead.

Dr. Birinder Kaur Bhinder
Officiating Principal
